## Ten reasons why you should have a will

1. You decide who receives your estate
2. Provide your information anytime, anywhere
3. Easy to update
4. Cost-effective
5. Quick to put in place
6. Avoids the complications that arise from not having a will
7. Minimises legal challenges
8. Provides control, certainty and peace of mind

9. Ensures the right provisions are made for you and your family
10. You decide who administers and looks after your estate
